Hi Della-

Discovery packet is completed and on its way to ADA Tarrant. Did you want copies of my notes? I figure that all you'll be testifying about is the MS so you won't want them, but I thought I'd ask.

Hope all is well in Boston.

Hi Sonja,
Attached is a copy of the drug receipt, cards, and Mass Spec data for these samples. You are the primary and I did the MS. They were analyzed 3/24/04. ADA Christopher Tarrant has requested a discovery packet. We usually have the primary send it out. I'll forward you a copy of his request. Let me know if you need any further information.
